A black, rectangular Kuanten AC/DC power adapter is shown against a light gray background. The adapter has a two-prong US plug at the top. The label on the front provides the following information: Brand: Kuanten, Model No.: KT14100000102, Input: 100-240V~50/60Hz 0.8A, Output: 5V 1000mA. It also features safety symbols including a UL mark, a CE mark, and a VI mark, along with the text "UL ENEC VDE POWER SUPPLY". At the bottom of the label, it says "MADE IN CHINA" and "SUN 1808". A coiled black cable is attached to the bottom, ending in a silver-colored barrel jack connector.
